

Lakeland Elementary

Reminder—e-Learning Days

As we embark on the winter season, please be aware that the district will be partaking in e-Learning days instead of traditional “snow days”.

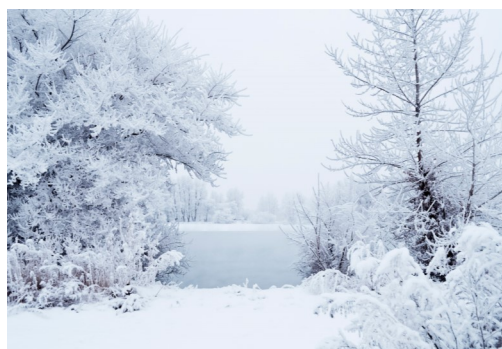

In the event of inclement weather, school will be closed but students will be learning at home. Elementary students (pre-k through fifth grade) will be completing work that does not require a device or internet access.

All students were sent home with a paper pack-

et containing five days worth of work. Students will complete one page on each snow day. The completed page will be returned to the teacher on next in person learning day.

Families will be made aware of inclement weather days by Campus calls/emails. A message will also be sent via Lakeland Remind and is usually on the local television and radio stations.

Teachers will be availa-

ble by email and Remind from 10:00am-12:00pm and 1:00pm-3:00pm.

If you are needing to reach the office or administration, they will be able to be reached by email, Remind, and by calling the main line (263-5020)

and leaving a message.

If you do not have your child’s snow day packet, please contact your child’s teacher to get another one. Work is also available on the district website.

Winter Weather Reminders

As the temps continue to drop, please make sure you are sending your children to school with winter clothing.

This includes their arrival and departure from school as well as recess. Temps are often very chilly in the morning. Remind your child to dress warm for the bus stop!

Students will be going outside for recess unless

the temp is below zero or below ten degrees wind chill.

If you are needing help with winter clothing for your child, please reach out to our newly hired child guide, Ashley Larson.

Once we have “plowable snow”, students are able to play on “Snow Pant Mountain” in our recess area. In order to play on

this snow pile, students MUST have all winter gear on including snow pants.

If you enjoy playing with children and don’t mind cold weather, consider joining our recess staff! We are hiring and would love to have you come and enjoy our Lakeland kids during recess. Our building is a great place to work and learn!
