**DIRECTIONS:** For this activity, your goal is to find objects that start with each letter of the alphabet while getting some exercise at the same time! Start with the letter "A" and follow directions until you find something that starts with the letter "Z." (Ex. Apple, Bathtub, Coin, Drink, etc.) If you are having a hard time finding something that **STARTS** with a certain letter, then you can find a letter in a book, on a food label, etc. This will be more fun to do with a parent or older sibling and you can go outside too if you have parent permission!

**Find something that starts with the letter A and do 5 jumping jacks!**

**SKIP** to a different room to find something that starts with B

**JOG** to a different room to find something that starts with C

**WALK** to a different room to find something that starts with D

**HOP ON 1 FOOT** to a different room to find something that starts with E

**GALLOP** to a different room to find something that starts with F

**LEAP** to a different room to find something that starts with G

**SIDE SLIDE** to a different room to find something that starts with H

**NICE JOB!! Give someone a high 5 and drink some water!**

**Music:**

- Tell your music teacher what your favorite and least favorite music activities were during distance learning.

**Social-Emotional:**

- Circle how you are feeling: 😊 😐 😞 😄
- To CELEBRATE 3 days left of school, put 3 fingers up and pretend they are candles. Now take a slow, deep breath to blow out EACH candle.
- Activity: CELEBRATE your teacher! Thank your teacher for helping you learn this school year. You can write them a note, draw a picture or say thank you.
