Distributions:

Distribution transactions may include any of the following: loan, transfer/exchange, rollover, hardship withdrawal, or cash distributions. Each investment product provider requires their own form to be submitted. You may request distributions by completing the necessary forms obtained from your investment product provider, other necessary documentation as indicated below and submitting all completed documents to TSACG for processing. Information regarding the various types of transactions is reflected below.

Contract Exchanges/Transfers:

Participants may only exchange their accounts among the authorized providers in the employer's 403(b) Plan. Further, monies transferred into the plan may only be invested with an authorized provider in the plan.

After verifying that the selected new provider is a current authorized investment product provider, you must complete all form(s) required by the provider (usually supplied by the new provider), as well as a Transaction Routing Request form.
