Board Game Afternoons

Wednesday Afternoons:

Nov 9 & Dec 14

3:30 - 5:00 p.m.

Xbox 360, Wii, PS4... know any of these games? Of course you do! In this age of technology, almost all kids play video games or computer games and I bet they are pretty cool but what about games which don't have or need a screen or a mouse or a remote control or even electricity? The library has been adding several board games to our collection so we are calling all board gamers to join us this fall to play traditional board games and enjoy refreshments. Please feel free to bring your own board games. No reason to be bored this fall! *This program is recommended for K - 6th grade, so bring a friend or two!*

School Nurse News

There will be a Scoliosis Screening for 5th grade girls the 1st week in December. The school nurse will be screening the girls during gym class. If there are any concerns parents will be notified. This is a screening recommended by The Minnesota Department of Health.

WILLMAR PUBLIC LIBRARY

Children's Book Club

**Tuesday, November 1;
4:00 - 5:00 p.m.**

For children in 2nd - 6th grade. The book for November is *The BFG* by Roald Dahl. Have you seen [the movie the BFG](#)? Which is better the book or the movie?

The Big Friendly Giant is no ordinary bone-crunching giant. He is far too nice and it's lucky for Sophie that he is. If she had been carried off by any of the other giants she would have been breakfast. When Sophie hears that the giants are headed to England to steal some little children, she and the BFG decide they must stop them once and for all. Activities, book discussion along with snacks will be provided.

Lego Club

**Wednesday, Nov 2;
4:00 - 5:00 p.m.**

Legos are provided for this club. No registration is necessary. The start of the Lego Club was made possible with a Maker Grant from the SAMMIE office in Marshall. If you have any Legos that you would like to donate, please contact the library
