HAVE A NICE SUMMER VACATION!

Hello Roosevelt Friends and Families

We made it! Soon we'll say good-bye to the 21-22 school year. The year was unique and successful as we came back strong after Covid disrupted our learning. So **THANK YOU!** Parents and guardians, we could not have done it without your continued support and partnership.

Teacher Appreciation Week is May 2-5th: I am sure your child's teacher may appreciate a kind gesture.

May Field Days: 3rd, 4th and 5th

3rd grade: Tues., May 24th 12:30-2:30 @ Kennedy Hodapp Field

4th grade: Wed., May 25th 9:00-11:00 @ Kennedy Hodapp Field

5th grade: Wed., May 25th 12:30-2:30 @ Kennedy Hodapp Field

2022 Summer School

Summer School will be held **AT LAKELAND** Breakfast, Lunch and Busing is provided

Dates: June 8th and 9th, June 13th-16th and June 18th-23rd (10 days total)

Days and times: Monday - Thursday 8:00 am - 1:00 pm

Kindergarten Registration:

Please visit our District website to register your child for 22-23 Kindergarten:

<https://www.willmar.k12.mn.us/domain/1323>

There is not an 'in-person' Kindergarten Round-Up, instead we will do 1:1 Family/Teacher Conf. in Sept.

LOOKING AHEAD TO FALL 2022

Fall **K-5** Family-Teacher-Student 1:1 Conferences on Sept. 6th and 7th

Fall **PreK** Family-Teacher-Student 1:1 Conferences on Sept. 8th and 9th

K-5: School Starts on Thurs. Sept 8th

PreK: School Starts Mon. Sept. 12th

Thank you for your continued **partnership**, we cannot do this without you! If I can ever be of assistance, please reach out to me at lockhartl@willmar.k12.mn.us or call me directly at 320-231-8474. Lori Lockhart, Roosevelt Principal

CLASSROOM NEWS

Prek:

With the weather getting warmer, please take advantage of playing outside with your child. You can go on a scavenger hunt looking for shapes, colors, animals, insects, etc. Sidewalk chalk can be a great way to practice letters and numbers. Climbing, running, skipping, hopping and playing catch are great ways to develop gross motor skills.

K:

Happy May, Kindergarten families! It is hard to believe we are entering our final month of the school year. From the bottom of our hearts, the kindergarten teachers and support staff would like to say thank you for a great year and for allowing us to work with your child each day. We have enjoyed getting to know your child and family tremendously, and will miss spending our days with them! This month please watch notes home, Remind messages, etc. for information regarding our final field trip to Robbins Island as well as some end of the year fun toward the end of the month. As always, please keep reading with and to your child all throughout the summer and play, play, play! Have a great summer!

1st Grade:

Thank you First Grade families for what has been a great year! We can hardly believe we are in our last month of school! This month, we are looking forward to a lot of things - adding and subtracting larger (2 digit!) numbers, digging deeper into place value, determining the central message of a story, and determining key details. We are also excited for our upcoming field trip to the Willmar Fire Station, Police Station, and Robbins Island! More info will be coming about this as the date approaches. The end of the school year will be bringing a lot of extra fun activities - be sure to ask your child what's happening!

2nd Grade:

Happy May and Happy Spring! We are so thankful for the warmer days and being together. It is hard to believe that our year together is coming to a close. We would like to continue to send along our gratitude for all of you and the work you have put in with your student this year. We are also thankful for our volunteers that helped us with our field trip to the Kandiyohi County Museum. Our grade will be going to Prairie Woods Environmental Learning Center on May 18 and 19! Please pack good walking shoes and a light jacket in case it is windy. To finish our year in Math, we will be looking at 2D and 3D shapes! We will also be working with time and clocks. In Literacy, we will be reviewing main idea, as well as reviewing writing skills and other literacy skills previously taught! We are looking forward to finishing the year strong!

CLASSROOM NEWS

3rd Grade:

May is here! Wow, spring is flying by. This past month has been a busy and exciting time for 3rd grade! Our 3rd graders had a blast at our math and literacy night. We have also practiced and learned many new skills. Students have done a great job keeping a growth mindset, exploring topics such as perimeter and multi-step problems in math! In literacy, students have analyzed main idea and looked at text relationships such as cause and effect and compare and contrasting. We are thrilled for an amazing month ahead! Keep up the great work 3rd graders!

4th Grade:

As we enter our last month of the 2022 school year, we would first like to thank you and your child for making this year such a wonderful year. These 4th graders are AMAZING kids and have worked so hard this year. They are going to be wonderful leaders next year as 5th graders. Thank you parents/guardians for your continuous support. It is greatly appreciated! 😊

This month our focus will be reteaching our math and reading priority benchmarks. These are the benchmarks we have discussed at conferences this year. Along with that, we will be studying and writing a research paper on important people of the United States. We will also wrap up social studies with learning about the Western Region of the United States.

Just a few May dates to note for your 4th grader.

Songfest: May 12th at 2:00 (Roosevelt Gym)

Let's Go Fishing Field Trip: May 23rd (Green Lake)

Field Day: May 25th 9:00-11:00 (Hodapp Field-Kennedy Elementary)

5th Grade:

Wow! What a month April was; and what a month we have ahead! We are so proud of our students for the hard work they have done this year and how they showed it on the MCA's. We will begin the month by finishing our Science MCA, and then we have lots to look forward to. We will be taking a field trip to Cojo Dairy farms, half of the grade on the 13th and half on the 20th. We are excited to travel to Prairie Woods Environmental Learning Center for another field trip on the 24th! The next day, students will be participating in field day; and we all will be taking a trip to tour the middle school. Lots happening, so it's going to be a great month!

CLASSROOM NEWS

Music:

In Music, 3rd graders have been writing 8 beat melodies and are gearing up to learn about the different instruments in band and orchestra and their instrument families. 2nd grade has been reviewing the Mr. Everybody books they read last year to learn the note names of the treble clef staff.

Kindergartners are working on the solfege notes So, Mi, and La and singing songs with those notes..

1st grade has been learning the letter names of the treble clef staff and finding those notes on stepbells.

4th and 5th have been preparing for their Song Fest.

Our final Song Fest date is:
4th-5th Grades on May 12th @ 2:00pm

We'd love for families to join us! You can find recordings of our performances on the Cardinal view YouTube channel.

STEM:

3rd Grade: We will finish up the Plants and Animals Unit and do some outdoor activities with flowering vs non flowering plants, and coniferous vs deciduous trees.

4th Grade: We will finish up Engineering unit and dive into some makerspace projects to end the year!

5th Grade: We will be finishing up the Energy unit and working on the Earth Changing Events

Art:

K-2 artists continue to learn about famous artists and explore using new techniques in their artwork. Artists we have used as inspiration for our own artwork include Pablo Picasso, Paul Klee, James Rizzi, Henri Matisse, and Georgia O'Keefe.

EL:

School is almost over, but that doesn't mean students need to stop reading or learning! Summer is a great time to read together as a family! Plan trips to the library so your kids can choose books about things they are interested in. Demonstrate a positive attitude about learning and reading by taking time to read with your child. Continuing to learn and grow over the summer doesn't have to take a lot of time or effort. Take advantage of situations to notice things outside in nature and talk about them together!

CLASSROOM NEWS

Field Days

Coming this summer:

- **Home Alone & Babysitting Safety** children learn skills to handle these responsibilities safely.
- **Encanto & Sleeping Beauty** discover theatre on stage and backstage-learn set & prop design, costuming, makeup, lighting, sound, directing, and more!
- **Cardettes Mini Dance Camp** for grades K-6. Register your child by May 14 to get a t-shirt.
- **Wish I Had A Horse Camp** for grades 2-7 with Kandiyohi Co 4-H.
- **Stop Motion Camp** for grades 3-5. Create 2D & 3D animation!
- **Nature Kid Art Club** for grades 3-5. Let's do art outside!
- **Prairie Woods ELC** Survival, Climbing Wall, Canoeing & Archery.
- **Eureka Engineering** for grades 3-8. Introduces core robotics skills while working with Lego Mindstorm kits.
- **RC Wars** for grades 4-9. Students design and build remote control vehicles to race and battle other teams.
- **Intro to Esports** for grades 3-8. Turn your student's passion for video games into valuable life skills!
- **Hawk Creek Animal Shelter** learn how to choose the best pet for your family and help your adopted animal make a successful transition from the shelter into your home.

Dear Roosevelt Parents,

We have a great opportunity to help you pay for activity fees, equipment, and more! Sports are important, they help develop self-esteem, confidence, respect, leadership, and personal discipline and control. With the help of this \$10,000.00 grant from the Willmar Area Community Foundation, Miles 4 Mentors has initiated their **Pay to Play Scholarship Initiative** for the 2021-2022 operational year. Elementary school child guides, physical education instructors, nurses, and others in our community, are our eyes to reach families with young children that need help.

- Apply online at www.MILES4MENTORS.com - Or- contact one of the principal cultural liaisons or the child guides at our elementary schools for an application.
- We want our students, ALL students, to be involved in activities. I see it every day at recess and in Phy Ed, we have talented young people, boys, and girls, who would excel in individual or team sports. Please call us for more information, come in and we'll help you apply or apply online at home.

Waxaan haysanaa fursad fiican oo aan kaa caawino si kaaga bixino qarashka hawlqabadka, qalabka, iyo wax ka badan! Ciyaaraha waa muhiim. Waxay caawiyaan hormarinta isku kalsoonida, ixtiraamka, hogaaminta, iyo anshaxa shakhsi ahaan iyo xakamaynta. Iyada oo la kaashanayo deeqdan \$10,000.00 ee ka timid Mu'asasada Bulshada Deegaanka Willmar, Miles 4 Mentors waxay bilaabeen Bixinta Lacagta Waxbarashada ee Ciyaarta sanadka 2021-2022. Hagaha ilmaha dugsiga hoose, macalimiinta waxbarashada jimicsiga jirka, kalkaalisoooyinka, iyo kuwa kale ee bulshadeena, si aan isha ugu hayno qoysaska haysta carruurta yaryar ee u baahan caawimada.

Ka codso onlayn www.MILES4MENTORS.com

Ama la xidhiidh mid ka mid ah maamulaha dhaqanka ee Somalida ama hagaha caruurta ee dugsiyada hoose si aad u codsato.

Waxaan rabnaa ardaydeena, dhammaan, inay ka qayb qaataan hawlaha. Waxaan arkaa maalin kasta wakhtiga waxbarashada jimicsiga jirka, inaan haysanoh/leenahay dhalinyaro, wiilal iyo gabdho karti leh, kuwaas oo ku fiicnaan lahaa isboortiga shaqsiga ama kooxeedka. Fadlan na soo wac si aad u hesho macluumaad dheeraad ah, ama noo kaalay saan kaga caawino inaad codsato ama online ka codsato adagio gurigaaga joogo.

¡Tenemos una gran oportunidad de ayudarlo a pagar las tarifas de actividades, el equipo y más! Los deportes son importantes, ayudan a desarrollar la autoestima, la confianza, el respeto, el liderazgo, la disciplina y el control personal. Con la ayuda de esta subvención de \$10,000.00 de Willmar Area Community Foundation, Miles 4 Mentors ha iniciado su iniciativa de becas Pay to Play para el año operativo 2021-2022. Guías de niños de primaria, instructores de educación física, enfermeras y otros en nuestra comunidad, son nuestros ojos para llegar a las familias con niños pequeños que necesitan ayuda.

Aplicar en línea en www.MILES4MENTORS.com

O comuníquese con uno de los principales enlaces culturales o las guías para niños en nuestras escuelas primarias para solicitar una solicitud.

Queremos que nuestros estudiantes, TODOS los estudiantes, participen en las actividades. Los veo todos los días en el recreo y en educación física, tenemos jóvenes talentosos, niños y niñas, que se destacarían en deportes individuales o de equipo. Llámenos para obtener más información, venga y lo ayudaremos a presentar su solicitud o presentar su solicitud en línea en su hogar.

Thank you, Lori Lockhart, Roosevelt Principal
