### Principal Message:

WELCOME BACK! As a staff, we are excited and eager to welcome your children back! We've had several construction projects happening over the summer. The results are fun, colorful and inviting spaces to learn and work in. As always, we look forward to working in partnership with you as parents and guardians. Like you, we want your children to be happy and to achieve their fullest potential while in our care. Your child's success at school depends on both of us working together so please never hesitate to contact me. I can be reached at [lockhartl@willmar.k12.mn.us](mailto:lockhartl@willmar.k12.mn.us)

### Roosevelt Elementary School

We will be having a new process this year when entering the school during school hours. As always everyone (except the student) must show ID when entering the school. (Valid forms of ID are: Driver's license, State ID, Military ID, School/College ID or a work ID as long as it is a picture ID.) You cannot be allowed in the school without ID. When entering the school you must come in the office to check in with the secretary.

*Thank you in advance in keeping our schools safe for our kids!*

---

### ***Drop Off and Pick Up***

\*Official School day is 8:30 a.m.– 3:20 p.m.

\*Students are NOT to arrive at school prior to 7:45a.m.

\*If you need to drop off your child prior to 7:45 a.m. please look into Cardinal Place

\*Please try to drop you child off at 8:15 to avoid overcrowding

\*Parents can arrive for pick-up around 3:10

\*If a student is dropped off between 7:45-8:15 please have them go to the gym

### **Pre K:**

We are so excited for our first year of offering preschool at Roosevelt! During the month of September we will be learning about the rules and routines at school. We will also spend time playing and learning about the centers in our classroom. We are ready for a great school year!

### **Kindergarten:**

Welcome to Kindergarten! We are excited for the start of our school year. This month we will be busy learning new routines, expectations, and math and reading skills. We will also be meeting many new friends and working together. Looking forward to a wonderful school year!

### **1st Grade:**

Welcome to first grade! We will be getting to know each other and learning the rules and routines of the classroom and school. Feel free to talk to your child about the rules and expectations for school. For reading we will be learning about characters, settings, and events and asking and answering questions about key details in a text. For writing we will write narratives. For math we will be working on sums and differences. We will have a great year!

### **2nd Grade:**

Welcome to 2nd Grade! We are excited for a year of fun and learning. To start our year we will be doing some community building activities to get to know each other. In reading we will be working on reading from our book boxes and choosing good fit books in our classroom libraries. We will read lots of fiction stories and talk about characters, setting, problem, and solution. In math we are excited to learn more about our new curriculum, Eureka Math. We will begin by discussing strategies to add and subtract numbers within 100. We look forward to a great year!

### **3rd Grade:**

Welcome Back!!! We are so excited to have your third grader in our classroom. We look forward to working with you and your student to help them be successful and further their educational journey.

In Math, we will be implementing a new curriculum called Eureka. It is full of fun, interactive activities! We will start out on properties of multiplication and division.

In Reading, we have tons of new and exciting books that are sure to encourage and foster your child's love of reading.

We will have a busy, action packed, enjoyable year!

---

If you ever need to contact your child's teacher their email address is the school website or the teacher's last name followed by their 1<sup>st</sup> initial of their first name followed by @willmar.k12.mn.us

#### **4th Grade:**

We are excited to start a new school year. In 4th grade we will be working on "ice breaker" activities for the month of September and we will begin our work with social skills using Second Step. Along with that, we will be discussing routines and expectations of what it looks like to be a 4th grader at Roosevelt. Our libraries are filled with a variety of new books for independent reading. We are looking forward to using our new math curriculum. This is going to be a fun and successful school year!

#### **5th Grade:**

Welcome to 5th Grade! We are excited to grow and learn with you this school year. Mrs. Egge, Mr. Kuehn, Mr. Tiernan, and Mr. Scheneberger.

#### **Math:**

Eureka Math

We're introducing a new mathematics curriculum, called Eureka Math. The Eureka Math curriculum was created by Great Minds®, a nonprofit that brought together teachers and experts to craft a program based on the world's most successful math programs. Eureka was built around the core principle that students need to know more than just what works when solving a problem—they need to understand why it works. The curriculum goes beyond facts and formulas, teaching students to think about math conceptually. This helps students become not merely literate, but fluent in mathematics. Eureka has received high ratings from educators and reviewers nationwide. Look for more information as we launch the year!

We will also be having a Family Math Night on Tuesday, September 25<sup>th</sup>. Mark your calendars to save the date.

### **STEM:**

3rd Grade: First Year of STEM is exciting and new...we will dive into new adventures working on Observations and Opinions as well as Measurement.

4th Grade: Welcome back 4th Graders...if you liked STEM last year, this year is even better...We will begin by introducing some new things this year and dip into the Measurement Unit soon after.

5th Grade: Welcome back 5th Grade, you are now the oldest leaders in the school. Now you can prove you are getting smarter by learning about Scientist and Engineers and we will dig into all areas deeper this year and find out who how amazing our students are by all of the knowledge they will gain in STEM for their final year of Elementary!

### **EL:**

Show your child that you think homework is important \* Don't be afraid to use your native language \* Study the same things in different ways and places \* Let your child choose the first subject to study \* Space out the learning \* Help your child without you doing the homework \* You can go to this website for more information:

### **Website information/Log in:**

In order to access our parent on line portal called Campus you will need to obtain a password. Campus is your way to view your child's academics, attendance and lunch account. Please do the following;

- 1) complete a Parent Portal Application (available at Open House),
- 2) upon receipt the District Office will email you a password,
- 3) use your email address and password to log on and access your child's information.

### Library:

Hi everyone and welcome back to school! My name is Mrs. Roisland and I am the new librarian here at Roosevelt. We are so excited for this upcoming year because our media center space is going to be brand new! Feel free to swing by and check it out if you're in the building. We are also going to be having a few monthly reading challenges that your child can choose to participate in. Make sure to ask them if they've swung by the library for their monthly challenge slip!

Thanks for all that you are doing to support reading! :)

-Mrs. Roisland

\*\*\*\*\*

Get your family into a reading routine at the beginning of the school year-

One of the best ways to improve your child's reading is to read every day.

Establish a regular reading time each night.

Encourage your child to read age appropriate materials he/she enjoys.

Create a cool reading spot.

Greetings from the Roosevelt Health Office! As we start a new school year, we would like to remind you of a few things to keep in mind as we all transition into the new school year.

\*It is quite common for Pre K and Kindergarten to need a new set of clothing during the school day-- toileting accidents, wet/mud accidents on the playground, spilled lunch on clothing, etc.—so we ask that our young students have an extra set of clothing in their lockers or backpack.

\*In the event that a student does not have extra clothing at school and needs them, parents may have to be notified during the school day to bring extra clothing. Accidents can happen at all ages so we may call for clean clothes.

\*Vision and hearing screening will take place at Roosevelt on Thursday, September 20th and Wednesday, October 3rd (rescreen day). All students in Grades K, 1, 3, and 5 will be screened as well as new students and students in Grades 2 or 4 whose parent or teacher requests they be screened. Please have your student wear their glasses (or contacts) those days, as we cannot screen them accurately without them.

\*If you have a new student to Roosevelt in grade 2 or 4, call us to be sure we screen them.

Please have your student wear their glasses (or contacts) those days, as we cannot screen them accurately without them.

\*If you do NOT want your child to participate in vision and hearing screening, please notify the school health office in writing. If you would be willing to be a parent volunteer for hearing and vision screening days, please let us know that too!

Thank you and we look forward to a happy, healthy new school year!

## **Successful Learners, Teamwork, Accepting, Respectful and Safe (STARS):**

- \*Our students and staff model and demonstrate behavior and choices that are positive, respectful and safe.
- \*We strive to create and reinforce an environment that is conducive to learning and success. We follow certain expectations and rules to be certain all students and staff members are able to work in an environment that is healthy and equitable.
- \*We ask that you too as parents support our STARS choices and reinforce them at home.
- \*Examples are: keeping your hands and feet to yourself, walk in the hallways, follow the teachers direction, respect others and be kind to one another, stay seated in the classroom and ask permission to leave the classroom....etc. Thank you in advance for your support on our school wide STARS behaviors.

## Back to School Tips

**Tips for a great 1<sup>st</sup> day of school and the rest of the school year...  
for parents to review and talk to their child about.**

- Get enough sleep (start bedtime routines a week or two prior school starting).
- Eat a healthy breakfast.
- Start talking about school early in a casual relaxed way.
- Try to have your child meet their teacher prior to the first day of school, if unable to make it to open house or if that may be too overwhelming for your child schedule a time.
- Let your child wear favorite, comfortable clothes on the first day of school rather than a new, uncomfortable outfit.
- Encourage children to try their best.
- Develop good work habits such as writing down assignments and turning in your homework on time.
- If your child doesn't understand, encourage them to ask the teacher.
- Communicate with your child's teacher.

### **Books to ease anxiety.**

- “Wemberly Worried” by Kevin Henkes (for kindergarten children)
  - “Spot goes to School” by Eric Hill (for kindergarten children)
  - “The Awful Aardvarks go to School” by Reeve Lindbergh and Tracey Campbell Pearson (for ages 5-8)
  - “Summer Stinks” by Marty Kelly (for children 7-10)
- \*\*\*For more resources contact your local library

### **How to Spot School Jitters.**

- Child shows excessive distress when parent discusses school.
  - Worries about bad things happening to relatives or caregivers when they are away at school.
  - Shows a fear of being alone.
  - Have nightmares about separation.
  - Complains of nausea, stomachaches or headaches.
- Source: Dr. Lawrence Balter, CBS News.

**\*\*\*If you think your child is excessively nervous contact your child's teacher or the Roosevelt School Social Worker, Cheryl Bosch at 231-8300 ext. 7573 for assistance to ease the situation.**
