

2020-21 Return to Learning Plan

Willmar Public Schools ISD #347

Willmar Senior High School

Hello to our students, families, and community members,

Welcome to the start of the 2020-21 school year! Since March of 2020, we have not experienced “normal” school operations. Distance Learning was a new and unexpected experience. Teachers quickly learned how to provide education outside of a brick-and-mortar building, parents/guardians learned how to support their child’s remote learning, and students learned how to access and engage through virtual instruction. Navigating distance learning had its challenges and we eagerly looked forward to fall. Now that summer is ending, we are ready for the new school year, however, we are not yet back to operating as “normal.” While school may look different, we are confident all students will have the opportunity to learn safely and at a high level.

Per the Department of Education and Department of Health, we have established plans for each of the following three scenarios:

- Scenario 1:** In-Person learning for all students
- Scenario 2:** Hybrid Learning with strict Social Distancing and Capacity Limits
- Scenario 3:** Distance Learning Only

In this document, you can find an outline for each of the three different plans. Each plan includes the requirements we are called to adhere to as a school system to ensure your child is safe while receiving their education. The school district will be utilizing the Minnesota Department of Education, Minnesota Department of Health, and CDC guidelines, as well as local COVID-19 data, to make all decisions. The guidelines, similar to the COVID-19 pandemic, are ever-changing, so please know that this document will also be adjusted as the school year progresses to keep everyone current.

As of the writing of this letter -August 19th, 2020 - Willmar Senior High will be in Scenario 2 -The Hybrid Model. Note that these plans are in place with the understanding that at any point the dial will turn from one Scenario to another. By having these plans in place, we can transition with minimal disruption to your child’s education. In addition, if your child has an underlying health concern or you have safety concerns with your child attending school in-person, the district will be providing a distance learning option for the entirety of the COVID-19 pandemic.

Thank you for your continued support and partnership. Together we are Cardinal Strong!

Paul Schmitz
Willmar Senior High School Principal

Key Information all WSH Students and Families Must Know:

1. COVID-19 Coordinator: Every district building must have a COVID-19 Coordinator.
 - a. The WSH COVID-19 Coordinator is **Paul Schmitz**.
2. Communication: Parent(s)/Guardian(s) will be a crucial partner as we navigate this year.
 - a. We are committed to on-going communication and will be sharing information regularly through videos and newsletters.
3. Attendance:
 - a. **ALL** students are expected to engage in their education **EVERY** day whether on-site, hybrid or in a distance learning model.
