

Willmar Public Schools and Yearly Student Verification

Opens July 1st

(Required for ALL returning students)

Verifying your student's information accessed through the Parent Portal

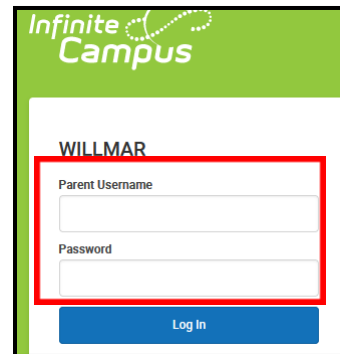

Willmar Public Schools uses an online system for parents/guardians to verify their student's information that is required to be completed before the students start school. The yearly verification is accessed online through your Willmar Public Schools parent portal account.

If you do not have one or do not remember your login credentials please email Willmar Schools at parentportal@willmar.k12.mn.us and we will respond to help you get the information to set up your account or send you your login credentials to access the online verification that will be opened up to all parent/guardians July 1st. Any questions, feel free to also email parentportal@willmar.k12.mn.us.

Steps to access and verify your student's information:

Login to your parent portal:

- Best if logged in on a computer or iPad
- go to www.willmar.k12.mn.us
- click **Parents**,
- then click “**Infinite Campus Login**”
- Once logged into the parent portal
Click **More** then click **Online Registration**
- Click **Start** on Existing Student Registration and follow the prompts to guide you through verifying your students' information.

Now that you are done verifying your students' information, enjoy these other benefits of the parent portal.

Benefits of having a parent portal is that you have access to your student(s):

- Student Schedules
- Attendance
- Assignment information
- Grades
- Meal account balances and make a deposit into their meal account
- Make payments for fees
- Documents such as Report cards and transcripts
- And much more
